

At the TU Bergakademie Freiberg, Faculty of Geosciences, Geotechnics and Mining, Chair of Opencast Mining, the position of a:

**Research Assistant (m/f/d) - job reference xxx/2023,**

to be filled for a limited period. TU Bergakademie Freiberg is a partner of the EURECA-PRO consortium as part of the "European University Alliances" initiative. The HI EURECA (HI = Heritage Innovation) project is part of the EURECA-PRO university alliance. The project aims to investigate the potential of heritage-based innovation for sustainable (environmental, social, economic) development in rural and urban communities, and to identify best practices for heritage-based innovations (working language English).

**Remuneration:** Pay group 13 TV-L

**Scope of position:** 0.4 FTE (increase is being sought)

**Time limit:** 01.07.2024 to 30.06.2027 (earlier recruitment and extension are sought)

**These are your tasks:**

- Management of work package T1.4 Evaluation, assessment and monitoring of HI demo sites in Poland, Romania and Greece.
- Monitoring of the demos (criteria; quality of theoretical (background) framework, degree of innovation of research methods, external and internal validity of results, novelty, applicability of results to practical heritage problems, predictability of generalisation).
- Writing the annual report.
- On-site visits to the demo sites.
- Exchange with the heads of the demo sites.
- Content-related and administrative handling of the work package.
- Public relations work for the project.
- Participation in other work packages in the project.
- Coordination of other university participants.

**What you can expect from us:**

- Work at a family-friendly university with flexible working hours.
- Remuneration in accordance with the provisions of the collective agreement for the public service of the federal states in line with personal requirements.
- Attractive fringe benefits, e.g. capital-forming benefits (VL), company pension scheme (VBL) Health management.
- Induction training by long-term employees.
- Further training opportunities.

---

### What we expect from you:

- University master's or diploma degree in natural sciences, economics or engineering is preferred.
- Experience in the development and implementation of projects.
- Strong communication skills with international partners.
- Written and spoken English at a minimum level of C2 required.
- Independent working style with analytical skills for problem identification and solution finding as well as personal commitment.
- Creativity and flexibility.
- Willingness to travel to other European countries and within Germany.
- Integration into institute life and associated tasks.

**For further information please contact Prof. Dr Drebenstedt, Tel. 03731 393373, E-Mail: [Carsten.Drebenstedt@mabb.tu-freiberg.de](mailto:Carsten.Drebenstedt@mabb.tu-freiberg.de)**

Applicants (m/f/d) must fulfil the recruitment requirements for the conclusion of employment contracts for a fixed term in accordance with the WissZeitVG. Applicants (m/f/d) with severe disabilities or equivalent status will be given preferential consideration if they have the same aptitude, performance and qualifications. For appropriate consideration, please enclose proof of severe disability/equal status with your application documents. The TU Bergakademie Freiberg aims to increase the proportion of women in teaching and research and is therefore particularly interested in applications from qualified women.

Please send your application with the usual documents (cover letter, CV, certificates) and stating the **job advertisement reference number (xxx/2020) by xx.09.2020** (the postmark of the ZPS of the TU Bergakademie Freiberg applies) to:

**TU Bergakademie Freiberg - Department of Human Resources - 09596 Freiberg**

Your application documents will not be returned, please submit copies only. Interview costs will not be covered. The TU Bergakademie Freiberg is also looking for scientific staff from various disciplines. Staff from various disciplines. Information at:
